This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 10219-1:2006

under system 2+ were applied and that the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 01.03.2008 as 1922-CPD-0005 and reissued as 1922-CPR-0005 on 21.05.2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly. The certificate is supported through annual surveillance audits and is reissued after each surveillance audit. This certificate should be reissued not later than 20.05.2016. The validity of this certificate can be verified in the CE register on www.dedal-bg.net.
